

Roll Labels

Sizing Guide

STEP 1

Print this on A4 paper, scaled to 100% – no need to zoom in or out, or print in color.

STEP 3

Using glue, tape or just your hands, place the labels on your items to see how they look.

STEP 2

Cut out some example labels. If you plan to make custom labels, choose the closest match.

STEP 4

Scan any of the QR codes on this guide to head online and start creating your labels.
